### Dear ICAS Members and Industry Partners,

We have the honor to invite you to ICAS49-6 at Frankfurt Airport. The meeting will be held as a hybrid meeting, i.e. with the option to physically participate in Frankfurt or via Microsoft Teams from anywhere in the world.

The on-site event will be held at Fraport AG's new and exciting Visitor Center and hosted by FlightAware ([FlightAware – Central to Aviation](#)) and Fraport AG ([Fraport Group](#)).

**Meeting duration on day 1:** 17/05/2022 9am to 6pm.  
**Evening reception:** 17/05/2022 8pm to 11pm.  
**Meeting duration on day 2:** 18/05/2022 9am to 6pm.

Registration for the meeting is possible via the ICAS website or via e-mail to [secretary@icas-group.org](mailto:secretary@icas-group.org). The deadline for registration is **02/05/2022** CoB.

The two days will be fully packed with presentations from both hosts regarding various interesting topics according to the recently expanded Terms of Reference.

Participants are given a deep insight into the system landscape of Frankfurt Airport including latest developments and future targets and into FlightAware's extensive range of services around flight event data.

The agenda will be finalized and uploaded to our website: <http://www.icas-group.org>. Please note that valid proof of vaccination status is required for physical participation. We are really looking forward to meeting you in Frankfurt or via Microsoft Teams.

Very kind regards,

Csaba Gergely  
Chairman of ICAS

Peter Szalóky,  
Secretary of ICAS
