Dear ICAS Members and Industry Partners,

We have the honor to invite you to ICAS49-7 at Paris CDG Airport. The meeting will be held at the Hotel Mercure at CDG Airport primarily as an F2F session, as the local infrastructure allows only limited online connection. We will aim to broadcast the presentations, but participation in the on-site discussions cannot be guaranteed. Please find attached a description of how to reach the Hotel Mercure.

A joint dinner will be held in central or western Paris. Participants will receive further details later.

Meeting duration on day 1:	20/10/2022	9am to 4pm.
Joint dinner:	20/10/2022	8.30pm to 11pm.
Meeting duration on day 2:	21/10/2022	9am to 3pm.

Registration for the meeting is possible via the ICAS website or via e-mail to secretary@icas-group.org. The deadline for registration is midnight CET on **03/10/2022**.

The two days will be filled with presentations and site visits from host and other speakers on various interesting topics. Please see the attached draft agenda for day 1. Once finalized, the agenda will be uploaded to our website: <http://www.icas-group.org>.

Please note that physical participation may be subject to valid pandemic measures at any time. Therefore, please check the travel regulations before you travel!

The number of physical places available is limited. We aim to allow as many companies as possible to participate. Accordingly, there may be restrictions and the board will send out registration confirmations after the registration deadline. The general rule is "first come - first served". However, if more than one person from a company is registered, there may be restrictions and the respective company must clarify who will participate. We look forward to meeting you in Paris.

Very kind regards,

Csaba Gergely
Chairman of ICAS
